

**TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE**

FISCAL NOTE

SB 2528 – HB 2881

January 27, 2010

SUMMARY OF BILL: Authorizes the Department of Safety to make available to the public, through an electronic searchable database, information regarding whether a person has an unrevoked handgun carry permit. Authorizes the Department to sell permit holder addresses in bulk defined as city, state, county, or zip code. No names or other identifying information shall be provided in any bulk purchases. Classifies all other information regarding valid permit holders as confidential.

ESTIMATED FISCAL IMPACT:

Increase State Revenue – Up to \$10,000

Increase State Expenditures – Up to \$10,000

Assumptions:

- The database currently exists.
- According to the Department of Safety, it is unknown how many requests for data would be received. The Department estimates that the costs of providing this information would not exceed \$10,000.
- Any costs to the Department would be recovered by fees charged for information requests.

CERTIFICATION:

The information contained herein is true and correct to the best of my knowledge.
